This is to advise that Mr. RUSSELL F. VAN LANDINGHAM, former Bureau Agent, Thomasville, North Carolina, telephonically contacted SA FRANK L. FAIRCHILD, Resident Agent, High Point, North Carolina, on May 18, 1951, advising that he is in receipt of a letter from CIA, Washington, D. C., regarding the recruiting of employees for that agency.

Mr. VAN LANDINGHAM stated that a similar letter has been directed to all members of the Society of Former Bureau Agents and is signed by WILLIAM J. KELLY, Personnel Director, Washington, D. C.

According to VAN LANDINGHAM the letter indicates that Agency is in desperate need of clerks, typists, and the recipient of the letter was requested to furnish names and addresses of prospective employees. The letter also indicated that in the future former Agents of the FBI might be called upon to conduct applicant investigations for CIA and the remuneration would be approximately \$25 per day and expenses or a minimum fee of \$12.50 for handling a lead.

The above is being furnished for the information of the Bureau. In the event the Bureau does not have a copy of the letter in question, I feel that same can be obtained from Mr. VAN LANDINGHAM should the Bureau desire.

SUBJECT: CIA CHECKS

*Central Intelligence Agency*

On February 23, 1951, the Bureau was advised in a letter to the Director, subject APPLICANT CASES, CIA AGENCY CHECKS, that the Central Intelligence Agency was then requiring approximately twentyfour days between the submission of flimsies to that agency and their return to the FBI. The reasons for this delay included lack of personnel, expansion of CIA and increased work load imposed by the FBI and other agencies. The following information applies to all cases generally requiring CIA checks.

The situation between February 23, 1951, and April 25, 1951, deteriorated until, as of the latter date, the interval between submission and return of flimsies had lengthened to 45 days except for those cases where the "Deadline Must be Met", White House Inquiries, Bureau Applicants and the extremely urgent cases which were especially handled in a period of approximately four days. However, the Bureau's attention is directed to the fact that the number of such cases had to be kept to a minimum in order to insure expeditious treatment.

Close contact was maintained by Special Agent L. RUSSELL WHARRY of this office with [redacted] CIA, and his successor, [redacted] to keep these men constantly aware of the situation; however, they maintained that due to the factors previously mentioned, the length of time necessary for the searches could not then be shortened.

On April 25, 1951, a conference was held with [redacted] and Agent WHARRY, at which time the seriousness of the problem was discussed and the CIA representatives stated they felt the situation would be immediately improved.

On April 27, 1951, results began to show and the number of flimsies returned to the FBI steadily increased until, as of this date, with the exception of a few cases, there are only eight days required between the submission of flimsies and their return to the FBI.

[redacted] subsequently advised that the personnel problem in the CIA file rooms had been alleviated and barring any unforeseen circumstances it can reasonably be expected that the

To advise of a CIA request for a regular Bureau instructor on applicant matters to appear before a CIA training class on June 6, 1951, and to recommend that the request be granted.

BACKGROUND:

ALL INFORMATION CONTAINED  
HEREIN IS UNCLASSIFIED

DATE 12-15-97 BY [signature]

You will recall that recently General Walter Bedell Smith of CIA requested that a few of his men receive Bureau training in applicant matters in order that they may subsequently become supervisors at CIA in handling applicant cases.

By my memorandum to you dated April 12, 1951, captioned as above, you will also recall that Mr. Clegg, in an addendum to the memorandum, suggested that we have the regular instructor on applicant matters appear before one class and that CIA instructors be in attendance and carry on from there. The Director noted, "I am willing to go as far as Clegg suggests. H." Mr. DeLoach, Liaison Section, advised General Smith of our decision in this matter, whereupon, General Smith expressed his appreciation for our assistance in this regard.

DETAILS:

On May 16, 1951 [redacted] CIA, telephonically contacted W. F. Woods, Liaison Section, and asked whether they could have a representative of the Bureau appear before a CIA training class on June 6, 1951. He stated that there would be about 12 or 15 trainees and 3 or 4 individuals who were to be trained as instructors in attendance. He advised that he had been informed of the Bureau's decision in this matter, and for that reason, the potential instructors were being requested to attend.

[redacted] also mentioned that he would like to have the trainees taken on a tour of the Bureau on the morning of June 6, 1951, as he felt it would give them "a lift." [redacted] was advised that in all probability a tour could be arranged and was asked how long he desired the instructor to talk. He stated that, as yet, no set time has been determined, but that he would notify the Bureau when the schedule for June 6 was completed.

TO : Mr. D. M. Ladd

FROM : A. H. Belmont

SUBJECT: TRAINING OF CIA REPRESENTATIVES

ALL INFORMATION CONTAINED

HEREIN IS UNCLASSIFIED

DATE 10-16-97 BY SP2/ALP/TE

DATE: June '30, 1951

PURPOSE:

To advise you of a written CIA request for Supervisor Shanklin to lecture on applicant matters before two training classes of CIA to be held in July and August, 1951. To recommend that in view of a recent Bureau decision in this regard CIA's request not be granted, and

CIA, be advised through liaison.

BACKGROUND:

In April, 1951, General Smith through Supervisor DeLoach requested that a few of his men receive Bureau training in applicant matters in order that they may subsequently become supervisors at CIA in handling applicant cases.

By my memorandum to you, dated April 12, 1951, captioned as above, you will recall that Mr. Clegg in an addendum to the memorandum suggested that we have the regular instructor on applicant matters appear before one class and that CIA instructors be in attendance and carry on from there. The Director noted, "I am willing to go as far as Clegg suggests. H." Mr. DeLoach subsequently advised General Smith of our decision in this matter.

On May 16, 1951 [ ] CIA, through liaison, asked whether they could have a representative of the Bureau appear before a CIA training class on June 6, 1951. At that time it was recommended that the regular instructor on applicant matters appear before the CIA class on June 6, 1951, and concerning this recommendation the Director noted, "O.K. H."

Upon approval of this recommendation [ ] was advised and it was recommended to him that he have potential instructors in attendance who could subsequently instruct trainees in CIA classes.

DETAILS:

Recently the Bureau received the attached letter from CIA which states in part that valuable assistance has been given to CIA in their instruction course through the

excellent cooperation of this Bureau and that Mr. Shanklin's lecture proved to be a most important part of the curriculum and was very well received by the students. The letter mentioned that CIA is now in the process of starting a second class in this training course and expect to have a third class in August, and possibly more classes in succeeding months. It was also mentioned that if it is at all possible it would be greatly appreciated if CIA could count on Mr. Shanklin to repeat his most instructive lecture to CIA's succeeding classes.

OBSERVATION:

It is to be noted that both General Walter Bedell Smith and [ ] of CIA, have previously been advised that the Bureau would furnish an applicant instructor on one occasion, and the request was made that CIA have potential instructors in attendance who would carry on from there. It is known that CIA's instructors were present when Supervisor Shanklin appeared before a CIA training class on June 6, 1951.

The attached letter from CIA indicates that our decision to furnish an instructor on only one occasion may not be known to [ ] and therefore the following recommendation is being submitted.

b3

RECOMMENDATION:

That the Bureau not furnish an applicant instructor to CIA, and that [ ] be advised of this and our previous decision through liaison.

As a matter of interest, [redacted] a former Bureau Agent, advised [redacted] clerk in the Correlation-Liaison Section, that he had transferred from the [redacted] to the Central Intelligence Agency because CIA offered him a Grade 15.

It appears that CIA is paying a large number, if not most, of former Bureau Agents Grade 15 at the Seat of Government. It is known that [redacted]

It has also been reported that [redacted]

[redacted] is also drawing a Grade 15. It is also believed that [redacted] is in Grade 15. It is additionally believed that [redacted] now draws a Grade 15 in his capacity as [redacted] CIA.

It is also evident that CIA is very liberal with their Grade 16 positions. For instance, [redacted]

[redacted] are in Grade 16 positions.

It is understood that [redacted]

[redacted] are in Grade 16.

[redacted] is known to receive a Grade 16 salary. You will recall previous information that [redacted] will draw a Grade 16 [redacted]
